SUBJECT No. 25.

Removal of the distinction between first and second grade Pleaders.

Messrs. P. Venkappiah, Abdul Aziz Sahib and Lakshmayya, Shimoga Municipality.

Summary of discussion.—The distinction between first and second grade Pleaders may be removed.

Reply of Government.—Under consideration.

SUBJECT No. 26.

Application for Civil Court Records by post.

Mr. Surappa, Bangalore Taluk.

Summary of discussion.—Applications made to Civil Courts for copies of records may be complied with even if they are made by post.

Reply of Government.—Will be referred to the Chief Court.

SUBJECT No. 27.

Appointment of Public Prosecutors for each district.

Mr. M. S. Ramachar, Kolar Municipality.

Summary of discussion.—Instead of appointing one Public Prosecutor for each Division, local members of the Bar may be appointed in each district to conduct Sessions cases.

Reply of Government.—There is not sufficient work in each district for a separate Prosecutor.

SUBJECT No. 28.

Appointment of Assistant Public Prosecutors.

Messrs. (1) Vekataramaniah, and (2) M. S. Ramachar, Kolar Municipality.

Summary of discussion.—(1) Assistant Public Prosecutors not subordinate to the Police Superintendents may be appointed in each district to conduct prosecutions in place of the Police Prosecuting Inspectors.

(2) Prosecuting Inspectors may be replaced by Pleaders with emoluments not exceeding Rs. 100 a month.

Mr. Ramachar.—Instead of a Prosecuting Inspector to conduct cases in each district, a member of the local Bar may be appointed Public Prosecutor. The chief objection to the present arrangement is that the Prosecuting Inspector is connected with the Police Department and this very often leads to miscarriage of justice.

Reply of Government.—Noted.

SUBJECT No. 29.

Attachment of pay of Government servants.

Mr. N. Bhima Rao, Chitaldrug Municipality.

Summary of discussion.—When the portion of the salary of Government servants attached in execution of Civil Court decrees is not sent to the Court by the disbursing officers, the remedy at present lies in the decree holder filing a suit for the recovery of the same. Circular orders may be issued to disbursing officers to send the amount attached promptly. The requisition for money from the court will not readily be complied with and the decree is not readily satisfied.

Reply of Government.—A circular order will issue.

SUBJECT No. 30.

Certificates of non-encumbrance to be furnished by Sub-Registrars on application by post.

Mr. Seetharamiah, Hunsur Taluk.

Summary of discussion.—The Co-operative Societies require the production of non-encumbrance certificates from the Sub-Registrar's office before granting loans. As many of the villages are at a considerable distance from the Sub-Registrar's office, it is inconvenient and expensive to the raiyats to go to the office for obtaining the certificates. The Sub-Registrars may be instructed to furnish
